"I wanted an island
big enough to
dance on"

Miele's G 7975 SCVi XXL K20 dishwasher with AutoDos and PowerDisk technology, £3299, also offers AutoOpen drying at the end of all cycles. It has QuickPower wash, Extra Clean and Pasta and Paella cleaning cycles.

Key features: Space for 14 place settings; 12 specialist programmes.

Sub Zero's ICBBI-42UFDID fridge-freezer is 106.7cm wide with French door-style refrigerated storage above a two-tier pull-out freezer drawer, which includes water filtration, air purification systems, and integrated water dispenser. It also has night mode and Wifi capabilities. Priced £23,868.

Key features: 492-litre fridge; 175-litre freezer.

The LG QuadWash steam dishwasher, £699.98, has a half-load cycle for smaller loads that takes only 38 minutes. It has four spray arms with multi-directional rotation, Auto Open Dry and dual wash intensity for top and bottom.

Key features: Space for 14 place settings; turbo cycle.

Unox Casa's pro-style SuperOven, from £13,800, has 400 cooking functions. Sensors monitor the humidity inside the cavity, and the air reaches up to 118 km/h – allowing food to be cooked evenly, in large quantities, and three times faster than a normal oven.

Key features: Connected recipe book; personal cooking trainer. **KBB**
